

Young Farmers & Ranchers

Kern County Farm Bureau

Who are the Young Farmers & Ranchers (YF&R)?

Farm Bureau Young Farmers & Ranchers are active agriculturists between the ages of 18 and 35 who are involved in production, banking, business, and many other areas of the industry. Young Farmers & Ranchers develop leadership skills while volunteering time as active, vital members of the county Farm Bureau. As a member of YF&R, your voice will join those of your peers to speak out for agriculture and represent farmers and ranchers. Learn more on the website at www.cfbf.com/programs/yfr.

Our Mission

To inform and inspire the community about agriculture through promotion & education, as well as foster leadership skills among our members so that we can better formulate policies and programs beneficial to our industry.

Activities

YF&R is involved in fund raising events that help support our many agricultural outreach projects aimed at educating the public on the benefits and importance of agriculture. These projects include *Ag in the Classroom*, *Farm Day in the City*, *Kern County Science Fair*, and *Imagine This: Agricultural Essay Contest*. YF&R members also have the opportunity to attend a leadership conference every year in February. This is a great opportunity to improve leadership skills and network with other YF&R members from around the state.

When & Where Do We Meet?

Meetings are held on the fourth Thursday of each month at 7:00 pm in private rooms at local restaurants. Meeting notices are sent out at the beginning of every month. Membership dues are \$25.00 annually. For more information, contact Tim Kensinger @ (661) 742-3091.
